Childhood

Burntwood Open Art Exhibition 2010
Friday 30th July – Saturday 7th August
Private View Thursday 29th July 6-8pm

Thank you for your interest in the 3rd open art exhibition in Burntwood organised by Lichfield District Council's Arts Development and Chase Terrace Technology College, please find attached an application pack. This year's theme is Childhood and the closing date for the application form is Friday 2nd July 2010.

The exhibition is to celebrate and showcase the creative talent we have in Burntwood and will consist of; the main exhibition, a children's art exhibition and refreshments. There will also be daily workshops and demonstrations by artists for all the family to encourage everyone to have a go. This draws in families looking for activities in the school holiday and encourages people that would not normally visit an art exhibition.

This event is run by myself and volunteers. I am always on the lookout for more volunteers, so if there are any willing helpers out there who can help with refreshments, setting up or invigilating the exhibition, it would be really appreciated. I would like to make this a Burntwood community event as much as possible. Please let me know if you or anyone else you know is available and what you/they would like to do. See the form below.

The private view for all submitting artists and dignitaries will take place on Thursday 29th July 6 -8pm. If there are any prominent people you would like invited who could help you with your creative future; such as funding bodies, gallery managers, university lecturers/tutors, future clients, etc, then please let me know and I will invite them.

I am really excited about this project and I hope with your help it will be a great success in promoting the talent of Burntwood and you.

I look forward to hearing from you soon.

Regards

Celia Houghton
Arts Development Officer
