Strategic Major Developments and Major Developments (a) - includes up to 3 meetings and notes of meetings and 1 written response.

Major (b), Minor Developments & Change of Use (non-residential) - includes up to 2 meetings, notes of meetings and 1 written response.

Householder & Advertisements- includes 1 meeting in the Council office and 1 written response. It does not however include a site meeting/site visit. If a site meeting/visit is required the normal fee rate will be doubled.

One short follow-up clarification/query on the advice provided will be given otherwise a further pre-application query will be necessary, which would generate a further fee. If a revised/amended scheme is subsequently proposed by the same applicant/developer in relation to the site within 6 months of the initial advice, then a reduction of 25% will be made against the further request.

**All above basic charges are exclusive of VAT\* and all fees are non-refundable.** \*VAT payable at current rate (20% at time of print/Nov 2017).

If specialist external advice is required to provide a response, the rates will be charged based on the fees incurred by the Council i.e. in relation to independent viability assessments or specialist agricultural advice required. Such fees are to be agreed between the two parties before specialist advice is sought.
