

Approved Registered Providers Policy – Lichfield District Council

1. Introduction

Lichfield District Council's Strategic Plan sets out the vision for the district and how we want to be fit for the future by promoting innovation and collaborative working with partner agencies. We want our district to be a clean, green and welcoming place to live and for our communities to be healthy and safe; we aim in part to achieve this by encouraging the delivery of more affordable homes that are energy efficient and that will flex and adapt to meet the needs of our ageing population and by fostering innovative solutions to reduce homelessness within the district. This policy sets out how Lichfield District Council will approve Registered Providers for new development opportunities across the district that are enabled through S106 obligations (developer contributions) and how we will work together to deliver new affordable homes across the district.

The Approved Providers Policy replaces the Partnership Agreement.

2. Aims & Objectives

The principal aim of this policy is to set out the criteria to approve Registered Providers (RP's) for S106 opportunities (developer contributions). The District Council is committed to working in partnership with approved RP's to achieve consistency in the quality and standard of the provision of affordable housing in the district, through both development and management activity. Approved RP's are expected to demonstrate that they are committed to delivering good quality, well designed, sustainable, adaptable and affordable homes in the district.

3. Approval of Registered Providers

To be become included on the 'Approved list of Registered Providers', organisations must demonstrate that they meet all the following criteria:

1. Are registered with the Homes England and are judged by them as compliant for governance and viability requirements¹.
2. Manage stock in the local² area and/or have an established local management arrangement.
3. Have a sustainable and long³ track record in the management of affordable homes and have a plan in place to reinvest any surpluses for the benefit of local communities.
4. Have in place or agree to develop a nomination agreement⁴ with the council and allocate homes in accordance with the Councils allocation scheme through the choice based lettings system⁵.

¹ Homes England publishes regulatory judgements on RP's for compliance with the governance and viability requirements of the Governance and Financial Viability Standard. G1 and V1 are the preferred ratings.

² Local means to own or manage stock in Lichfield District or a neighbouring authority

³ Long term is 5 years plus

⁴ The nomination agreement is for the purposes of allocation of housing (nomination, acceptance, rejection and refusal of nomination) and successful partnership working between the RP and LDC.

5. Commit to the principles enshrined within the council's Tenancy Strategy.
6. Agree to develop a complaints protocol by negotiation with the council.
7. Attend and actively contribute to the Councils Strategic Housing Partnership and other Development related meetings.
8. Consult and liaise with Council Officers about potential new development opportunities.

All Approved RP's will be monitored and reviewed on an annual basis to ensure that they continue to meet the criteria; they will be invited to regular meetings to discuss development opportunities and their performance on managing their homes and enabling new supply.

4. S106 (Developer Contributions) for Affordable Housing

In line with our planning policies and obligations the Council requires that the delivery of new affordable housing will be built on site, however in the exceptional circumstances where this is unachievable, the Council will accept commuted sums in lieu of delivery to invest in affordable housing projects elsewhere.

RP's that have been approved by the Council will have the opportunity to bid for commuted sum funds on a periodic basis once funds of circa £200k have been collated when available. Bids will be assessed on their strategic housing fit, how well they meet local housing needs, their deliverability, and value for money and affordability.

5. Applications to Become an Approved Registered Providers

To apply to become an Approved RP complete an application form (**Annexe A**) also available at [Lichfield District Council website](#) or contact the Housing and Wellbeing Strategy Team.

6. Review & Monitoring

This policy and criteria for becoming an Approved Registered Provider will be reviewed on a periodic basis. An annual review will take place with each Approved RP to ensure their compliance with the policy.
