Dear Sarah

Thank you for your letter dated 3 October 2019 regarding the Review of Polling Districts and Polling Places. Please find below my comments as the Acting Returning Officer for the Tamworth Parliamentary Constituency which covers the areas listed below.

Yours sincerely

Acting Returning Officer (Tamworth Parliamentary Constituency)

District(s)	Polling Place	ARO Comments
DA, DB	Clifton Campville, Village Hall, Church Street, B79 0AR	No change - fine as it is.
GA, GB	St Peter's Church, Drayton Lane, B78 3TY	No change - fine as it is.
HA	Edingale Village Hall, 1 Moores Croft, B79 9LJ	No change - fine as it is.
JA	Elford Village Hall - The Shakespeare Room, Church Road, B79 9DA	No change - fine as it is.
KA	Mobile Polling Station, Car Park, The Longwood Public House, B78 3QP	I propose that this polling station is relocated to share the same polling place location as polling district KB as Fazeley Town Hall is well known and well established in the local area. The building has excellent accessibility, dedicated disabled parking and the room is more than large enough to accommodate another polling station with this size electorate. I feel that temporary polling stations should only be used where there is no suitable alternative in the locality. Although, temporary stations are suitably equipped to enable access for all voters (ramps and handrails for disabled access) there are still ongoing concerns due to the inherent characteristics of temporary stations, such as their narrow entrance and limited internal area and therefore, as Fazeley Town Hall is currently being utilised as polling station I would like to suggest that this is also adopted for the KA polling district.
