30th November 2022

Dear Mrs Trueman

Monthly progress update – November 2022.

The below provides the monthly progress update for November 2022 as requested by the Inspectors in their letter dated 11th October 2022.

1. The District Council has appointed an interim planning consultant to the planning policy team to assist with various pieces of work including the Inspectors Requests. A full update of this work will be provided in the January update.
2. The Principal Planning officer joins the authority in mid-January and the Council is currently reviewing other vacant posts within the planning policy team.
3. Statements of Common Ground continue to be progressed between the District Council and neighbouring Local Planning Authorities.

Yours sincerely
