**KEY DECISION: NO**

**REPORT OF Director of Transformation and Resources**

**PUBLIC HEALTH ACT 1925 – STREET NAMING – PARISH OF  
Lichfield**

**1. Purpose of Report**

- 1.1 To propose a name for a road serving the development at: 'Land At Limburg Avenue'. A plan of the site is attached at **APPENDIX A** and **APPENDIX B**.

**2. Background**

- 2.1 The naming of streets in the District is controlled by the Council under The Public Health Act 1925.
- 2.2 The purpose of this control and legislation is to make sure that any new street names are allocated logically with a view to ensuring amongst other things, the effective delivery of mail, public services and that emergency services are able to locate any addresses to which they may be summoned.
- 2.3 The Council's officers will in, as far as street naming proposals are concerned, be willing for developers or owners to propose their own preferred names for consideration. It is desirable that any suggested road name should have some historical or other meaningful connection with the area.
- 2.4 The Council officers requested the developer to propose names for the new streets to be built and these proposals are contained in paragraph 6 of this report.

- 2.5 The developer's suggestions were put forward to Lichfield City Council for consideration.

### **3. Recommendation**

- 3.1 The suggested names for the site were taken from the war memorial situated in the Garden of Remembrance in Lichfield. It was decided to use the surnames that appear most frequently on the memorial, this ensured more soldiers were commemorated.

#### **4. Statement of Reasons**

- 4.1 The Council has statutory power to ensure that all Streets are named and properties numbered.
- 4.2 A new road name is required for the road serving the said development referred to in this report.
- 4.3 The purpose of street naming and numbering is to ensure that any new or amended street, building name and/or property numbers are allocated in a logical and consistent manner. Organisations such as the Royal Mail, Emergency Services, delivery companies as well as the general public need an efficient and accurate means of locating and referencing properties. The Royal Mail will not allocate a post code until they receive official notification of new or amended addresses from the Council.

#### **5. Any Alternative Options**

- 5.1 There are no alternative options as Lichfield District Council is the statutory body for street naming and numbering and therefore has a legal duty to comply with the request.

#### **6. Consultation**

- 6.1 The Council received a request to name the roads from the developer who only gave the following name suggestions:

**Street Name: Hallam Park**  
**Decision: Rejected**

**Street Name: Circus Field**  
**Decision: Rejected**

The reasons for the proposed names by the developer are as follows:  
Previous names for the areas of land the development is on.

- 6.2 Lichfield City Council were consulted and proposed the streets be named after soldiers from WW1 and WW2 as featured on the war memorial in the Garden of Remembrance. Image attached in Appendix B.
- 6.3 Attempts have been made to seek the approval of any living relatives via a press release statement in the Lichfield Mercury and on Lichfield District Councils website in accordance with the legislation stated in the Public Health Act of 1925. The subsequent responses have been positive with regard to the road naming.
- 6.4 A public notice will now be issued for two weeks in the local press and on site for any persons to make an objection to the name at Stafford Magistrates' Court.

## **7. Financial Implications**

- 7.1 The costs associated with making the Public Notice is £600. This payment is recovered via the street naming and numbering fees 2016 and covers the costs involved in advertising for 2 weeks in a local newspaper and on site the intended Street Naming Order.

## **8. Strategic Plan Implications**

- 8.1 There are no known implications for the Strategic Plan.

## **9. Sustainability Issues**

- 9.1 The recommendation does not have any significant sustainability implications. The consultation and research procedure ensures that community participation has been undertaken.

## **10. Human Rights Issues**

10.1 Not applicable.

## **11. Crime and Community Safety Issues**

11.1 Street naming assists the emergency services in finding location and places easily and to be better equipped to support communities.

## **12. Risk Management Issues**

12.1 There is a legal requirement to advertise the intended street name in a local newspaper for 2 weeks allowing the public to object at a Magistrate's Court to any street name being suggested. The Council would therefore need to consider alternative naming if the magistrate founding favour of the objection(s).

12.2 To ensure that the Council limits the potential of any objections, consultations via the Parish Council are conducted to ensure that the name is appropriate and sufficient and is within the wishes of the local community. The developer or land owner should they dispute the recommendation of the Council, can also lodge an objection to Stafford Magistrates' Court.

12.3 Any objections to the Magistrates' Court would require further consideration by the Council prior to any legal hearing.
